

# DEY21

## X-Sign Player Box Pro

Edit, manage, and customise content through the **X-Sign Content Management** Software by using the 150+ templates available.

**Remotely manage all screens,** and display different contents across various locations. Monitor real-time performance, and get instant notifications about displays' status.

The DEY21 can be wired to the network (LAN) or via Wi-Fi, through the **360° adjustable antenna** for a strong and stable signal.
